

Dear devotees and friends of our temple,

Our community is blessed with a beautiful Shiva Vishnu Temple which has become the sanctuary for our spiritual, cultural, educational and social needs. We have reached a major milestone of the fifteenth (15) Varshikotsavam (anniversary) after the Maha Kumbhabhishekam and Pranaprathishtapana held during November of 2001.

Our community should be proud to have worked very hard and harmoniously to make this happen. Since 1996, we solicited funds for the sponsorship for various deities (Ishtadevathas). Hundreds of donors sponsored various deities during the past 20 years. We are indebted to all our donors.

Our Board of trustees has decided to close accepting any more funds towards the deity sponsorship at the end of this year, so that we can make permanent plaques in bronze with the names of the donors. If you are interested in donating funds for any of the deities, please call or e-mail Dr. R. Iyengar for further details.
