

# Shiva Vishnu Temple Presents Durgaa Suktam

by  
Sri. Dhira Chaitanyaji

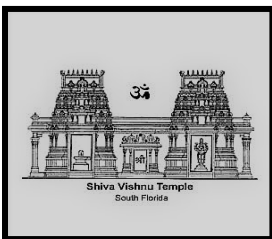

Durgaa Suktam is a Vedic prayer to Goddess Durgaa, a manifestation of Shakti, also known as Paraashakti. It occurs in the Mahaanaaraayana Upanishad, a part of Krishna Yajur Veda. Paraashakti is worshipped as the power of manifestation, one who is the cause of the entire manifest universe experienced by living beings. Goddess Paraashakti is invoked and worshipped as Sri Durgaa during the first three days of Navaraatri festival, followed by Sri Lakshmi the next three days and Sri Saraswati during the final three days. In the northeast of India Goddess Durgaa is worshipped during Navaraatri in her nine different manifestations. Sri Dhiraji will expound on Durgaa Suktam in two talks.
