Shiva Panchakshara Stotram

Shiva Panchaakshara Stotram

Attributed to Adi Shankaracharya, Shiva Panchakshara Stotram is a prayer to Lord Shiva based on *panchakshara mantra* '*namah shivaaya*'. This mantra occurs in Sri Rudram which is a prayer from Krishna Yajur Veda. In this *stotram* composed of five verses each syllable of the mantra is imbued with meaningful metaphors that describe the form and glory of Lord Siva. Each verse also ends with the devotee's prostrations to the Lord. A sixth verse known as *phalashruti* gives the benefits one might expect to have from recitation of this mantra. In his talk Sri DhiraJi will elaborate on the meaning and significance of Shiva Panchakshari Stotram.
